

Our next meeting will be Monday, March 18th at 6:30 P.M. We'll meet at the coffee shop on Olde Wadsworth, 5756 Olde Wadsworth.

Some decisions from last meeting:

Following Chapter 8 on Small Area Planning of LUTAC's report to the City,

- we decided that we are creating a corridor plan
- the boundaries are: 38th to 45th; Federal to Tejon (including park)
- we will incorporate community participation through newsletters, meetings of the sub-committee, reports to the Board, and open house (s)
- Jim will make a presentation to the March board meeting and he will try to get the CU students to present at the April or May board meeting - Keith will be the newsletter and Board liaison
- Chris will use previous information to define the Strengths, Weaknesses, Opportunities and Threats (SWOT)
- the CU students will cover some of the assessment questions - Nancy will ask Doug Wheeler to help with the balance - Dave will take care of necessary maps - Jim will work on the housing questions
- Chris will write a draft vision statement
- we will keep our civic responsibilities and community context in mind, as we...
- develop the plan recommendations.

Matt will begin informal meetings with area businesses on Tejon to gauge interest/reaction.
