

What follows are the minutes of the Revitalization Committee meeting on April 7th. Attendees were Jim Schneck, Tom Atwood, and Nancy Steinfurth.

1. Jim Schneck received a \$500 donation from the Denver Foundation to cover costs of the meeting of area businesses.
2. Tom Atwood and Jon Fischer were able to walk part of the neighborhood and talk to businesses about the meeting. Jon's notes are attached in an Excel spreadsheet. They'll continue to do it, although the Spanish-speaking friend of Jon's is unable to help. If you know of someone who speaks Spanish and could help, contact Jon at jon.fischer@trippak.com.
3. The meeting of business owners/managers will be held Wednesday, May 12th at 5:30 P.M. at Cafe Cafe on 44th Avenue. Please mark your calendars and plan to attend. We'd like to have a strong showing of committee members and the City Planning office staff.
4. Tom is working with a web designer to add a page for the Revitalization Committee to Sunnyside's web site and an area where we can archive minutes and other documents.
5. Jim was able to place an article about the meeting of business owners/managers in the latest issue of the newsletter.
6. The committee recommends that a letter of commendation be written to the Director of Planning about how helpful Doug Wheeler had been to the committee and our efforts over the last two years.
7. Our current city planner, Matt Seubert, is going to forward our Design Guidelines to Steve Turner, an architect in the Planning office, who will review them and possibly incorporate them in one of the City's documents.
